**Recognize the Public.** None

**Public Works List.** R Harlander went over the August/September public works list with B Struck. Other items discussed were whether to keep the volleyball courts or not, and moving the aerator from the bandshell to the bathroom area.

B Struck received a quote from Wieser Concrete for 30 parking lot block/bumpers @ \$55 each, and \$600 delivery, to replace the current barrier of wooden posts at Coon Lake Park.

Motion to approve ordering the cement bumpers from Wieser Concrete by J Carley/P Swenson Vote: Carried

B Struck discussed the different options for security at the east side of the lake after some recent vandalism occurred.

Motion to approve ordering and setting up cellular security camera by J Carley/G Clausen Vote: Carried

**Coon Lake Park – Caretaker Report.** Pete and Carol Mangelsen answered questions and talked about how things are going since they started as Park Caretakers this season. They requested an additional garbage can for the park to cover more space and would like to try keeping the bathrooms unlocked at night, as people use it later than they want to go down to lock them. Overall, things are good and manageable.

**Previous Meeting Minutes—July 7<sup>th</sup>, 2021.** Need to clarify on minutes that mulch is for the garden, not the actual skating rink.

Motion to approve the July 7<sup>th</sup>, 2021 Minutes by P Swenson/G Clausen Vote: Carried

**Expenditures.** None discussed.

**Park Budget – Current and 2022.** Projects to finish this year include the parking lot barricades, painting the women's bathroom, buckthorn removal, the dugouts and the security camera for the east side. The Board discussed the 2022 budget and potential changes from this year to next.

**Projects and Committees.** R Harlander is meeting with Structural Builders to look into a lookout area for the north side of the lake, and Doug Nyren for what is needed for the trail to go to 8 feet with a crushed traprock base. We could have current designated money that we can use to go after matching grants.

J Carley will be meeting the Boardwalk Engineer on August 11<sup>th</sup> at 10:00 along with B Struck, at the boardwalk.

**Coon Lake Parks and Trails.** A thank you note was sent to the playground doner and one should be sent to Crosswalk Church for the large amount of work that was done by the Homefield Advantage group. Cutting the brush on the north side of the lake could be a project for the kids on Community Give Back Day. J Schott will make a Facebook post about naming suggestions for the park area where the pickle ball court and playground sits. The board agreed to take no less than \$500 for the recycle bin. If it doesn't sell, it should be listed in The Municipality magazine.

**Set Next Park Board Meeting.** Wednesday, September 1<sup>st</sup>, 2021 at 8:00 a.m.

**Adjourn.** Motion to adjourn at 9:45 am by P Swenson/J Carley Vote: Carried.

Respectfully submitted,
