

FREDERIC PUBLIC LIBRARY NEWSLETTER

BANNED BOOK WEEK Oct 1- 7

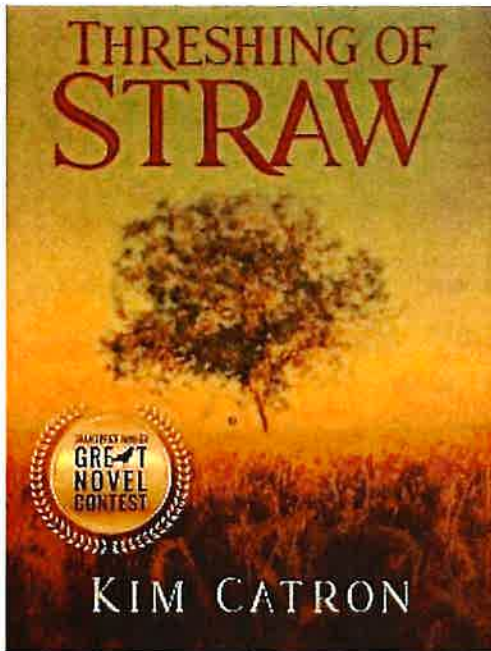

Per the American Library Association: "Banned Books Week celebrates the freedom to read and spotlights current and historical attempts to censor books in libraries and schools. For more than 40 years, the annual event has brought together the entire book community in shared support of the freedom to seek and to express ideas, even those some consider unorthodox or unpopular. The books featured during Banned Books Week have all been targeted for removal or restriction in libraries and schools. By focusing on efforts across the country to remove or restrict access to books, Banned Books Week draws national attention to the harms of censorship."

COMMUNITY CONNECTIONS

ONE 10 GALLERY

Looking for a unique gift for someone special? We have an art gallery in town that offers items for sale from nearly 90 different American artists! From greeting cards, to pottery, to glass & metal works, to paintings & prints, One 10 Gallery has something for everyone.

Owner and operator, Jack Route, is a Master metal worker and opened the doors to the gallery in 2016. He is a Frederic native and had chosen to return to the area in 1988 with his wife, Deb, after years of traveling the country selling his handcrafted metal artwork.

Jack is also a founding member of Frederic Arts and helps to educate the public on the value of art as well as promote the crafts of our local artists. He is particularly drawn to the American Craft Movement- which encompasses work that is made by hand such as metal work, weaving, pottery, etc, as opposed to machine made objects.

The Gallery invites you to participate in the Fall Gallery Adventure from Friday-Sunday, Sept 29-Oct 1 which is a tour of art galleries throughout northwestern Wisconsin.

Thank you for being a part of our community, One 10 Gallery!

FREDERIC NURSING HOME AND REHABILITATION CENTER

Did you know that we have a senior residential & rehab facility right in our own backyard!? It opened its doors in 1994 and can now host up to 60 residents. Located next-door to Northwest Passage and overlooking the Frederic Golf Course, the center is near enough to downtown but in a quiet & peaceful setting off the highway.

Residents enjoy a large selection of activities & events throughout the month, such as art projects, Bingo, Movie Day, Bible Study, live music, & live animal visits from Tamara Larson. The newest Activities Coordinator, Annie, also brings in her little dachshund, Doug, to spread some love & joy!

The Center strives to be a deficiency free facility & continues to improve their star-rating by giving the highest level of care to their residents.

There is always a need for volunteers! If you have a musical talent you'd like to share, a crafting skill you could showcase, or just have some available time on your hands to spend some time with the valued elders in our community, please call them at 715-327-4297.

Thank you for being part of our community, Frederic Nursing Home & Rehabilitation Center!
