

**FREDERIC VILLAGE PUBLIC WORKS COMMITTEE MEETING**

Village Hall, 110 Oak Street E  
Monday, April 19<sup>th</sup>, 2021 · 5:00 pm

**Call to Order by Allan Lahti at 5:00 pm**

**Present:** Allan Lahti, Brett Daeffler, Brandon Ayd

**Also Present:** Bill Struck, Director of Public Works; Janice Schott, Village Clerk/Treasurer; Roxanne Howe, Deputy Clerk/Treasurer

**Motion to discuss/approve February 3rd, 2021 Minutes by Daeffler/Ayd. Carried.**

**Spring Bids - Bill Struck:**

We received bids for line painting from Fahrner (\$9400) and CCM Line Painting (\$7628). CCM was pre-approved having the lower bid and we've worked with them before with good results.

4 bids were received for stump removal:

Adams \$2085.00

Roger Corty \$952.00

Beltech \$1,835.70

Roufs Forestry \$6221.34

The bid from Roger Corty was pre-approved.

**Motion to accept the approved bids as discussed by Daeffler/Ayd. Carried**

**CDBG Project Update – Bill Struck:**

The sewer project is going well. A couple unavoidable problems popped up, but that is expected when working a project of this size. Some small repair costs will need to be added into the overall project financing when finished.

The spray irrigation at the sewer plant that was approved for a June start up, has been delayed to at least October, as there was an oversight and it wasn't included on our permit as it should be.

**Street Sweeper Update – Bill Struck:** No luck in finding a decent used sweeper as of yet. MacQueen Equipment has us on their list (since last fall) and if they get a decent one to sell, we will take a look.

**Motion to adjourn at 5:24 pm by Ayd/Daeffler. Carried**

Respectfully submitted,

Roxanne Howe  
Deputy Clerk/Treasurer
