2PM

Gather under the shelter near the Frederic Historic Depot at 2PM to learn birding from the ground up. No matter what age, whether you are new to birding, or you want your little ones to learn a lifelong hobby, join us to learn about birding. This is a family friendly event. Kids can learn how to make birding journals, have a bird snack, and enjoy a gentle guided bird tour on the Gandy Dancer. Free and open to the public. No registration required. Bring binoculars if you have some.

Always Fun at the Library

Lego Challenge happens every day at any time you wish. Stop by with the family and relax in the Children's room while the kids are engaged!

Kids' Corner

Future engineers need to stop by the Kids' Corner display. Every week is a new challenge.

Help Us Decorate!

This year's summer reading program theme is "Oceans of Possibilities". Help us decorate the children's room to look like we're swimming under the sea. Pick up a roll of paper and take it home to decorate with your favorite underwater ocean view. Return your finished poster and we will hang it from the ceiling of the children's room. The possibilities are limitless!

Oculus Quest 2

Available daily on a first come, first serve basis. Call the library at 715-327-4979 to reserve your time.

New Young Adult

Check out our new collection of Manga Classics. If you've never read Macbeth, Hamlet, Romeo & Juliet, or others, but have always wanted to—here is your chance to enjoy a Manga version of the original! Unique and easy to understand volumes are a great way for your teen (or you) to understand the classics.

Save the Date!

Join us on May 14 at 11 AM for a "Get Your Garden Growing" program led by master gardener, Cricket LaFond. Cricket will help you start seeds, talk companion planting, soil prep and so much more. The Friends of the Frederic Library will also have gardening books and plants for sale! Stop by the Library from May 1—May 13 to check out the prize for a gardening starter kit! The winner's name will be drawn on Saturday, May 14.

Bikes and Pickleball kits!

Enjoy the great outdoors by checking out our bikes or pickleball kits. Bikes are available for one day check-outs and the pickleball kits are available for three days—just by using your library card.
