Village Trustees:

Harlin Owens,
President
Brad Harlander
Amber Johnson
Rob Lillehaug
Jackie Peterson
Patty Swenson
Duane Wise

Important Reminders

- Please make sure that no leaves or grass clippings are pushed/blown into the street! This is against village ordinance and fines can be given.
- Each person is responsible for keeping the sidewalk in front of their residence clean and free of any debris.
- If you need a place to dump your leaves there is a pile behind the Village Shop, make sure that LEAVES ONLY are placed in the pile. No bags or garbage.
- There is a brush pile available for resident use by the Waste Water Treatment Plant. This pile is for BRUSH ONLY!

Due to a resident complaint the Policy for Sewer Deduct meters has been changed. The current manual read meters will no longer be supported after third quarter 2022. If you would like a sewer deduct meter or more information, please contact the Village Hall at 715-327-4294 or the Water Department at 715-327-8062.

Winter Parking Restrictions

You know it's coming...

Please remember that there is no overnight parking on any village street starting November 1st.

Tickets will be given.

If it snows before November 1st, please have your car off the street by the time the plows are out.

FREDERIC PUBLIC LIBRARY – FREE EVENT!!

On Saturday, October 22nd from 9am – 12 pm, the library is hosting a photo session for local families to get their pictures taken by a local photographer. There will be a nice backdrop which will make the photos perfect for holiday cards or special keepsakes. There is no cost to families, but a free-will donation to the library is always appreciated. Each family will receive 5-10 digital pictures to keep. Each group will be allotted a 15-minute session. Reservations are required. Call the library to secure your spot! 715-327-4979.

The Frederic Village Board of Trustees meets the second Monday of each month at 7:00 pm at 110 Oak Street E, unless a change is necessary. All meetings are open to the public.

Important Village News!

Ken Hackett from the Village Public Works Department will be retiring on December 30, 2022. Ken has been a terrific employee with the Village for 42+ years. If you see him you might want to thank him for his years of service to the community, he often has gone above and beyond his job duties. There will be an open house planned in the first part of December so be on the lookout for that announcement.

MONTHLY BILLING NOW AVAILABLE!

The Village of Frederic now offers you the option to receive your water & sewer utility bill every month (*via email or pick up only*) in addition to the normal quarterly billing cycle. Your bill will reflect your current water usage and the amount due for that month's usage. While the actual due date will remain quarterly, you can pay your smaller bill monthly, or at your convenience, up until the due date. Paying monthly is an option and convenience for you. It is not an obligation.

Benefits of monthly billing include:

- Consistency for personal accounting of monthly home budgets
- Less fluctuation in billing amounts, especially after heavy usage periods
- It allows customers to adjust their water usage habits if they feel they are using too much water.
- It allows customers to detect any leaks in their household plumbing sooner. (Detecting leaks early and conserving water not only protects our precious natural resource, but it also saves money.)

Monthly statements are only available through paperless email or in-office pick up. To sign up or for more information, please email office@fredericwi.com or call (715) 327-4294.
